- **Calm Discovery™ For Humans** helps the body manage stress without causing drowsiness, impairing cognitive or motor functions, affecting emotional balance, or personality.* It contains nutrients not found in other calming formulas, which help the body cope with stressful situations.*

- **Calm Discovery™ For Humans** contains Suntheanine® brand L-Theanine, a patented bioactive peptide found in milk protein hydrolysate.* It has been extensively researched for its calming and relaxing properties*

Suntheanine®

- **Calm Discovery™ For Humans** contains 100% pure L-Theanine, (Suntheanine® brand) from Taiyo International, Inc. that has extensive research and documentation.* There are over 45 studies, which suggest it is helpful in managing stress, supporting relaxation, quality sleep, learning and concentration, as well as reducing irritability and low mood states.*

L-Theanine

- L-Theanine is a naturally occurring amino acid found in green tea and is a derivative of glutamic acid, a neurotransmitter in the brain. It helps the body to produce calming neurotransmitters, such as GABA and helps bring other neurotransmitters into better balance. L-Theanine supports deep muscle relaxation, improved quality sleep, and concentration and focus.* It also directly stimulates production of alpha brain waves, giving the body a sense of deep relaxation and mental alertness without causing drowsiness.*

Calm Discovery™ For Humans 0500135.030 (30 Chewable Tablets)

Stevia

- Stevia is an herb that contains stevioside, which makes it taste as sweet as table sugar without effecting blood-sugar levels.*

Xylitol

- **Calm Discovery™ For Humans** is sweetened with Xylitol, a safe and natural sweetener that tastes like sugar, but contains fewer calories and is totally sugar free. It has amazing health benefits and the FDA's safest rating as a food additive with over 1,500 scientific studies.*
