

# OMEGA 3, 6, 9

- A comprehensive fatty acid formula for cats and dogs that is rich in ALA, GLA, EPA and DHA to support heart and skin health.
- **Omega 3, 6, 9** is a blend of non-GMO natural oils from Borage Seed, Flaxseed, and Fish that combines the health benefits of Omega 3, 6, and 9 fatty acids.
- **Omega 3, 6, 9** provides a healthy balance of fatty acids. Fatty acids are critical to total body health. These fatty acids play a vital role in the structure of cell membranes to support animals with skin health concerns, support the immune system, and proper growth and development of the nervous system.
- **Fatty Acids are recommended for support of:**
  - Skin and heart health
  - Nervous system function and development
  - Healthy organ function
  - Joint function and health
  - Respiratory health
  - Immune system functions
  - Gastrointestinal health
- Provides desirable ratio of Omega 3 to Omega 6 fatty acids for more efficient and beneficial prostaglandin production.
- Daily supplementation with GLA, ALA, EPA, and DHA is the best way to ensure that the cat or dog receives the health-protecting benefits of fatty acids.
- Available in a softgel capsule.
- **Directions For Use:**  
For easy administration break open softgel capsule. If giving more than one softgel capsule, divide between AM and PM.  
**All Cats:** 1 softgel every other day.  
**Dogs under 15 lbs:** 1 softgel every other day.  
**Dogs 15 - 30 lbs:** 1 softgel daily.  
**Dogs over 30 lbs:** 1 softgel per 30 lbs of body weight, daily.
- **Omega 3, 6, 9**
